

Bulldog Families and Staff,

It is with great joy that I am able to announce that Elbert School is returning to GREEN status the week of September 13th! Please plan for all club activities, sports schedules & practices, field trips and in-person learning to resume under the same status as when school began.

Thank you to all of the families and staff who worked this past week to return to a healthy Bulldog community. Together, we made this quick return to in-person learning possible and are now resuming school as usual!

Best Regards,  
Mrs. Thompson
